In 1930 his grandson Herman Nowen was living with him. The family story is this was his son but from his housekeeper. Henry Nowen's parents died when he was an infant and it's possible Charles and Martha took him in. Charles had several wives and supposedly married his last wife at age 90 although that wouldn't be correct if his death date is correct. A Charles Loeffler died in Paterson, NJ in July 3, 1958 at age 83. Social Security shows a "life claim" for him on 23 Aug 1945. This would be the date he applied for retirement benefits.

Henry Owen is listed as adopted. Obituary also lists step daughters.

1910 census lists the family as Toffler

When he came to the U.S. he said he was going to see his sister. No records have been found for a sister.
